 Leetcode

PROFILE

A software engineer with 5 years of experience in web development, specializing in React/Next.js with expertise in both TypeScript and JavaScript, and also proficient in Django and Python, alongside Node/Express. Throughout my career, I have developed a strong skill set in creating user-friendly interfaces and have a deep understanding of these technologies. Currently, I am also exploring the exciting field of AI/ML to expand my knowledge and expertise.

EDUCATION

Competitive programming

Africa to Silicon Valley (A2SV) 

Nov 2021 – Dec 2023

Addis Ababa, Ethiopia
